

## List of companies

The companies listed below have responded to our call issued by the Chamber of Skilled Trades and Crafts (CDM) to participate in the pilot project. They have experience in energy renovation and are readily available to carry out work in the next six months.

This list has been compiled by Klima-Agence to help you find a craftsman who meets your needs. Klima-Agence has not carried out a quality control on these companies.

The list is structured according to the following measures:

1. Insulation of the outer wall
  - 1.1. External insulation
  - 1.2. Interior insulation
2. Insulation of the roof / top floor ceiling
  - 2.1. Insulation of a pitched or flat roof
  - 2.2. Insulation of the top-storey ceiling against unheated zone
3. Insulation against unheated zone or ground or exterior
  - 3.1. Insulation of the wall against unheated zone or ground
  - 3.2. Insulation of the under slab against unheated zone or ground or exterior
4. Installation of windows and French doors
5. Controlled ventilation system with heat recovery

This list is updated continuously. Last updated: 16.05.2024

## 1. Insulation of the outer wall

### 1.1. Insulation of the outer wall / external insulation

### Wedo

Wedo is an initiative of the Fédération des Artisans and offers an online platform for those looking for a craftsman or an offer.

Here's how it works: you describe your project and interested companies contact you to make an offer.
